

Third Annual DNWML Disability Pride Art Exhibition

CALL FOR ART

In This Together: Joy & Interdependence in Disability Culture

Join us for our **THIRD Annual Disability Pride Art Exhibition** at Disability Network Washtenaw Monroe Livingston.

This year's exhibition celebrates the beauty of interdependence, the power of community, and the full spectrum of joy within disability culture. We are seeking artwork by disabled artists that reflects the richness of disabled lives — not as isolated stories of struggle or inspiration, but as nuanced and deeply connected, complex, and joyful experiences.

We welcome submissions across all mediums: including visual art, photography, sculpture, video, performance, sound art, mixed media, and more!
