

Plantability Garden Club

DIG IT!

MICHIGAN STATE UNIVERSITY EXTENSION

Come grow with us!

Our Plantability Gardening Club, led by passionate **Master Gardener trainee, Maiyah**, invites our nature-loving community members to enjoy the outdoors, explore different plant types, and learn hands-on plant care in a supportive, inclusive environment. Whether you're new to gardening or already have a green thumb, this is a great way to connect with nature, build skills, and cultivate community.

What to bring

To stay comfortable and prepared, please bring:

- ✿ A water bottle
- ✿ Sun protection (hat, sunscreen, sunglasses)
- ✿ Weather-appropriate clothing
- ✿ Gardening gloves, if you have them

All experience levels are welcome.

Let's grow something beautiful together!

Every other Wednesday
4:30-5:30pm
Starting June 11

DN Washtenaw Office
3941 Research Park Dr
Ann Arbor, MI 48198
