

The Lavender Archive

A private space for underserved individuals to express pride freely—a space for every identity and ability.

We're here to provide multifaceted support for individuals with intersectional identities who also have a disability.

We'll have various topics of discussion and occasional guests, encouraging members to bond over common identities, share their experiences, and learn from each other.

Ages 18+

Meetings virtually
3rd Wednesday of
each month
3:00 - 4:00 PM

Upcoming Dates:
June 18
July 16
August 20
