Learn ASL!

Musical Theatre Workshop

In this class focusing on **learning ASL**, you'll learn that music isn't just for listening; it's about telling a story through facial expression and creative phrasing through sign language. And in this 6-week workshop, it's an opportunity for people with disabilities to start or continue nurturing their sign language skills in **harmony** with new friends. Come to learn and prepare for a sign language performance of an all-group song and optional solos/duets!

All abilities and sign language proficiencies welcome. A certified interpreter from Disability Network Eastern Michigan will be partnering with DNWML Theatre Be Director Robin Bennett to present this workshop.

*Participants are expected to register for ALL 6 weekly classes and an online performance on March 2 at 7 PM. Participants must live in the DNEM or DNWML service areas. **LIMITED SPACE!***

Weekly, Mondays 3-4 PM
Virtual Sessions
January 26 - March 2, 2026
Performance: March 2 at 7 PM

Registration REQUIRED by Jan. 16!
