# TIME CAPSULE

This year, not only are we celebrating our rich 50-year history of promoting access and independence for all—we're also looking ahead to the future by building a **time capsule!**

We are seeking small, disability- or Disability Network-related items that will show future advocates what living with a disability was like way back in the year 2026.

**Collection Starts Wednesday, June 10**  
@ 50<sup>th</sup> Anniversary History Project Launch

**Collection Ends Saturday, July 25**  
@ Annual ADA Celebration
