# PEERLY SOCIAL

**Looking to be part of a fun and social group?**

**Want to explore our community but don't want to venture out alone?**

Join us for **Peerly Social**: a brand new seasonal event for disabled adults to connect, build friendships, and discover exciting places in our community *together!*

## HOW IT WORKS

DNWML will organize each outing and provide the opportunity to connect with peers. Attendees are responsible for their own transportation to and from the event, as well as the cost of the activity.

Join us and meet people, try something new, and make your next adventure a little more social!
